About Andean American:

Andean American Mining Corp. (TSX.V-AAG) is focused on growth both organically and through acquisitions. The company is actively pursuing new properties with potential for early stage gold and silver targets. Andean American continues to maintain excellent community relations and a commitment to responsible environmental practices. The company has a strong management team with over 60 years experience and an effective board dedicated to excellence in corporate governance. Andean American Mining is committed to continuing to be a low-cost, profitable producer with an objective of 200,000 ounces of gold by 2010. About Market Matters Radio: Market Matters is a nationally syndicated radio program produced by Blender Media and The Corus Radio Network. The show airs every Saturday across Canada and focuses on growth stock opportunities amongst small to mid-cap publicly traded companies. Market Matters Radio showcases junior companies in the mining, energy and biotech categories and invites industry analysts to discuss current trends.
